

ECOLAB®

Assert Clean

Manual warewashing detergent

Performance

- ▲ **Assert Clean** is especially suitable for cleaning in food processing areas
- ▲ It is a manual warewashing detergent for the daily hand-washing of dishes, crockery, cutlery, pots, pans and other kitchen utensils
- ▲ Product label is colour coded and multilingual

Efficiency

- ▲ For all washable heavily soiled surfaces. Ideal for food processing operations
- ▲ For kitchen equipment and other porcelain, glass, stainless steel, aluminium wares, varnished and lacquered surfaces, and plastic materials
- ▲ Effective even at low concentrations for a low cost in use

Safety

- ▲ Selection of raw materials and package ensures a high ecological standard
- ▲ Perfume and dye free, for increased food safety

Sustainability

- ▲ The EU Flower certificate guarantees a certain environmental standard

Use instructions

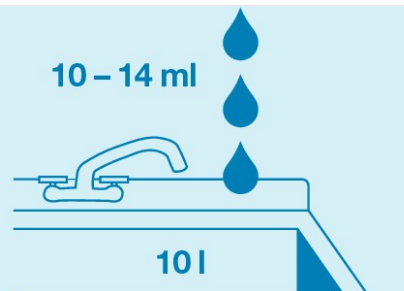

1. Check hygiene plan and product label for detailed use information.

recommended

2. We recommend wearing suitable protective clothing when handling the product.

3. Dose 10 - 14 ml of **Assert Clean** into 10L of warm water. For surface cleaning, dose 25 ml in 10 L water.

4. Remove excess soil by hand. Immerse items to be washed and leave to soak. Depending on the item, wash using a stiff brush or a scouring pad.

5. Remove items and rinse with clean warm water. Allow to air dry.

Special notes

- ▲ Keep out of reach of children.
- ▲ Test material compatibility in a small inconspicuous area prior to application.
- ▲ For professional use only.

Environmental advice

- ▲ Only a small quantity of the product is needed compared to normal products.
- ▲ Proper dosage saves costs and minimizes environmental impacts.
- ▲ To wash your dishes in the most efficient way, to save water and energy, and to protect the environment, do not use running water but immerse the dishes.
- ▲ You can wash most efficiently without lots of foam,

Safety information

- ▲ Do not mix with any other product.
- ▲ For further information and safety instructions, please see the product label and Safety Data Sheet.

Storage conditions

- ▲ Store between 0 °C and 40 °C in the original closed container only.
