

product data sheet

trade name:	LDPE recycled waste bags
printing:	none
Colour:	transparent-fuzzy
article number:	8005256
size:	700 x 1050 x 0,030 mm
quality:	Recyclate Blue Angel certified
Chemical characterisation:	Polyethylen
Dangerous ingredients:	none
watertightness:	Not guaranteed

Technical data

MFI (g / 10 min):	0,7 – 2,0 (DIN ISO EN 1122)
density (g / cm³):	ca. 0,92 (DIN 53479)
Tensile strength, longitudinal:	> 15 N/mm ² (DIN ISO EN 527-3)
Tensile strength transverse :	> 15 N/mm ² (DIN ISO EN 527-3)
Elongation at break, longitudinal :	> 250% (DIN ISO EN 527-3)
Elongation at break, transverse :	> 250% (DIN ISO EN 527-3)
Dart Drop:	> 1,5 grams per µm (ASTM D 1709)

Declaration of conformity

We hereby declare that the products we sell under the trade name Profipack waste bags are made exclusively from recycled polyethylene.

This plastic consists only of carbon and hydrogen and contains no chlorine, plasticizers or other hazardous additives.
